1. **Policy**. The issuance of worthless checks by members of the Navy and/or their family is totally unacceptable. It is the responsibility of every member of the Navy to promptly pay one's debts. Upon receipt of a returned check, the activity providing the check cashing privilege shall inform the commanding officer (CO) of the drawer, or in the case of a family member, the CO of the sponsor. If the drawer is retired, on inactive duty as a member of the Naval Reserve, or in the Fleet Reserve, the member will be advised in writing, and if necessary, the area coordinator in which the drawer resides. Suspension of drawer check cashing privileges pending resolution of the worthless check is at the discretion of the check cashing facility.

#### 2. **CO's Responsibility**

- a. Upon notification of a returned check, the CO shall
  - (1) notify the member and, if appropriate, investigate the matter;
  - (2) inform the member of the need to resolve and report to the command when the worthless check issue has been resolved, and/or take action commensurate with the offense (nonjudicial punishment (NJP), counseling, etc.).
- b. Administrative separation (ADSEP) may also be considered for enlisted personnel who demonstrate financial irresponsibility or a pattern of dishonorable failure to pay just debts. For officers, reports of NJP, and/or action in connection with a Detachment for Cause may apply.

### INDEBTEDNESS AND FINANCIAL RESPONSIBILITY OF MEMBERS

<b>Responsible Office</b>	NAVPERSCOM (PERS-4832)	Phone:	DSN COM FAX	882-4427 (901) 874-4427 882-2624

-------------------	--

1. **Policy**. Members of the Naval Service are expected to pay their just debts and financial obligations in a proper and timely manner. The Navy is without legal authority to require a member to pay a private debt, or to deduct any part of their pay to reimburse the creditor even if the indebtedness has been reduced to judgment by a civil court, unless the member's pay is to be garnished to provide child support or alimony under reference (a).

#### 2. **Enforcement of Private Obligations**

a. The enforcement of private obligations is a matter for civil authorities. A commanding officer (CO) is without authority to adjudicate claims or to arbitrate controversies concerning debts or private obligations of naval members, or to act as an agent or collector. Members of the Naval Service are not, by virtue of their military status, relieved from continuing obligations to obey pertinent civil laws or to comply with the terms of applicable civil court orders, decrees, or judgments; however, the ***Servicemembers Civil Relief Act***, as amended, provides for certain privileges and benefits for members of the Naval Service.

b. The extent to which COs may cooperate with creditors is limited to administrative referral of correspondence to the member. The CO shall ensure the member communicates their intentions regarding the creditor. Under the ***Fair Debt***

**Collection Practices Act** (reference (b)), contact by a debt collector with third parties, such as COs, for the purpose of aiding debt collection is prohibited without prior concurrence of the debtor, or without a court order. Claims for support of family members or claims by the Federal, State, or Municipal Governments are not limited by this section.

### 3. Creditor's Obligations

a. The following requirements should be met by creditors prior to assistance in collecting debts:

(1) Creditors subject to reference (c), and assignees claiming thereunder, shall submit, with their request for debt processing assistance, an executed copy of the Certificate of Compliance and a true copy of the general and specific disclosures provided the member as required by the **Truth-in-Lending Act**. Reference (b) pertains.

(2) A creditor not subject to reference (c), such as a public utility company, shall submit a certification that no interest, finance charge, or other fee is in excess of that permitted by the law of the State from which the obligation was incurred under reference (c), section 226.3 of Regulation Z.

(3) A foreign-owned company having debt complaints shall submit with its request a true copy in English of the terms of the debt and shall certify that it has subscribed to the Standards of Fairness.

(4) Credit unions chartered to serve DOD personnel, but operating off military installations, banks and credit unions operating on military installations, and bank branches operating on military installations shall conform to the Standards of Fairness. Relative to this requirement, the **Truth-in-Lending Act** prescribes the general disclosure requirements which must be met by those offering or extending consumer credit, and reference (c) prescribes the specific disclosure requirements for open-end and installment credit transactions. In lieu of Federal requirements, State regulations apply to credit transactions when the Federal Reserve Board has determined that State regulations impose substantially similar requirements and provide adequate enforcement measures. Regulations of the Federal Reserve Board should be checked to determine whether Federal or State laws and regulations govern.

b. These requirements of certification do not extend to

(1) claims of companies furnishing services such as newspapers and similar services where credit is extended solely to facilitate the service, as distinguished from inducing the purchase of the product or service; or

(2) claims by accommodation endorsers, co-makers, or lenders against the party primarily liable on obligations not intended to benefit the accommodating party, through payment of interest or otherwise; contracts for the purchase, sale, or rental of real estate; claims in which the total unpaid amount does not exceed \$50.00; claims for support of family members (guidance found in reference (d), chapter 50 (FMR)); claims based on a revolving or open-end credit account if the account shows the periodic rate and its annual rate equivalent and the balance to which it is applied to compute the charge; or purchase money liens on real property (does not include liens on real property and related obligations such as those which represent obligations for improvement or repair).

4. Commanding Officer's (CO's) Obligations. The CO shall ensure members of their command are instructed in financial responsibility, suggested via the command's General Military Training (GMT) program. Disinterested third party counseling (financial counselor) should be made available by each command to assist members with their financial concerns or problems. Training should help to emphasize the following:

a. Thrift is not only a virtue, but for most people, a necessity.

b. The way in which one handles their private financial affairs provides a reliable indication of their general character and truthworthiness.

c. Prior to acceptance of any credit plan, members should evaluate their financial capabilities and set up a budget, which will preclude hopeless entrapment in overburdening and ever increasing debts.

d. Consultation with a legal assistance officer, or command financial assistant, when contemplating large purchases on credit may assist members to avoid commitments which may be difficult or impossible to carry out.

e. Be wary of the "high pressure" salesperson. Think carefully and seek advice before signing an agreement or contract. Never sign a blank contract and always multiply the number of payments by the amount to determine the total payment. Note particularly the penalty clauses.

f. Failure to pay just debts or repeatedly incurring debts beyond one's ability to pay is evidence of irresponsibility and may jeopardize their security clearance status, advancement status, duty assignment, qualification for reenlistment or extension of enlistment, retention, and in aggravated circumstances may become grounds for disciplinary and/or administrative separation action.

g. A savings may be realized by setting funds aside to provide for cash purchases.

h. Take advantage of the saving, counseling, and lending services provided by credit unions organized by and for Department of the Navy (DON) civilian and military personnel.

i. The use of the statement of Full Disclosure forms as set forth herein will be included in indoctrination and each member desiring to obtain or execute a loan will be encouraged and advised to require the creditor or lender to complete the Full Disclosure form to be signed by both parties to the transaction.

j. Members who did not seek or heed advice beforehand or who otherwise encounter difficulties in paying their debts should be encouraged to consult with a legal assistance officer per reference (e).

k. Bankruptcy is not an easy way out of indebtedness. The Navy neither encourages nor discourages the filing of a petition in bankruptcy. The circumstances prompting bankruptcy proceeding are considered carefully since they may reflect adversely on the military character of the petitioner. A discharge in bankruptcy does not give a member immunity from appropriate disciplinary or administrative action for failure to pay just debts committed prior to a petition of bankruptcy.

5. **Notice of Indebtedness.** Upon receipt of a notice of indebtedness, determine if the creditor is

a. a **debt collector** who is in violation of the ***Fair Debt Collection Practices Act*** or a State statute regulating debt collection practices;

b. a **nonjudgement creditor** who has complied with the Standards of Fairness, made a full disclosure of the terms of the obligation, and executed the Certificate of Compliance before consummating the loan or credit contract, and has submitted a copy of the statement of Full Disclosure and the Certificate of Compliance with the signatures of both parties and the date of its execution;

c. a **nonjudgement creditor** who has certified that the Standards of Fairness are complied with and that the unpaid balance is adjusted accordingly or needs no adjustment, including a statement of Full Disclosure reflecting compliance. This provision applies only to those cases in which the creditor has not executed a Certificate of Compliance prior to the consummation of the contract or is unable to produce it.

d. a **creditor** who has procured a judgment in a civil court of competent jurisdiction.

6. **Letters to Creditors.** In the event that a notice of indebtedness is received by a member's command, the appropriate form letter should be used.

7. **Indebtedness to the Navy and Marine Corps Relief**

a. The Navy and Marine Corps Relief Society (NMCRS) maintains a close affiliation with the Navy and Marine Corps. Communications from the NMCRS to the CO concerning funds advanced to a member are made only after repeated unsuccessful attempts have been made to communicate with the member. The NMCRS requests COs to have the member interviewed, to ask the member to reply to the NMCRS correspondence, and to submit a recommendation regarding member's ability to repay the funds. Answers to these letters shall be answered in terms of action and information requested, not in terms of typical indebtedness letters. These letters are not appropriate when responding to NMCRS, or letters to other COs, which are neither indebtedness complaints, nor collection letters.

b. Claims in which compliance with these requirements is questionable, or in which the total cost of the loan or credit including all finance charges, although stated, appear excessive shall be referred to the officer designated by the command as responsible for such consideration and disposition as may be appropriate; however, before deciding on the proper course of action, the command shall give the creditor an opportunity to demonstrate that the finance charges conform to law and the extent to which the finance charge and rates conform to prevailing rates and charges for similar consumer credit transactions.

c. Expeditious action is encouraged in the best interest of the Navy, and to assist member where feasible in obtaining needed credit, or preventing adverse credit information from being entered on their account(s).

8. **Request for Information on Member's Pay.** Requests to furnish information concerning the personal credit rating of a member of the Naval Service should be courteously refused. Inquiries will be limited to a verification that the member is in the Naval Service, and a statement of the member's duty station, duty address, and basic pay information. The command may provide the member a **Statement of Service** (see **Letter L-7**), which includes a statement of pay and allowances that has been signed and released by the command.

9. **Actions in Aggravated Situations of Nonpayment**

a. Should an aggravated situation due to nonpayment occur, the member should be immediately counseled on the adverse effects of such notification of nonpayment of legal debts, and the need to take prompt action to resolve the nonpayment issue.

b. If considered necessary to assist the member in managing their financial affairs, require the member to submit a ***Statement of Monthly Finance (Income and Output)*** (see **Letter L-8**). Submit to DON, Central Adjudication Facility (DON CAF), if appropriate, a full report of the circumstances in connection with any petition in bankruptcy, discharge in bankruptcy, or approved ***Wage Earner's Plan***.
